

## GUIDELINES FOR FLYING AT MDMC SITES

- 1 – 2 metres distance between people **MUST** be observed at **ALL** times.
- 2 - Only two flyers in the flight-box at any one time (*the walk to the strip has been widened to allow safe passing*)
- 3 - Only one person at a time in the shed for charging of batteries (you must use your own charger and have no contact with other chargers/batteries)
- 4 - Training can only be carried out using the clubs buddy system/club training aircraft. The buddy transmitter will be cleaned after each use, hand sanitizer must be used prior to each training flight (to be provided by you). We will need to implement a booked time-slot system for training to limit numbers at the field, tba. (DM)
- 5 - The patio furniture will be **NOT** be in use, if you need a seat, bring your own.
- 6 - Use hand sanitizer/wipes on the gate/lock after use.

*Do remember that when you go flying you are not there to meet up with others, you are there to fly your aircraft and nothing else. Do not mingle with other people and respect social distancing guidance to ensure you maintain a safe distance. If in any doubt, please stay at home.*

**Turn up, fly, go home!**

**THINGS ARE GOING TO BE A LITTLE DIFFERENT FOR NOW, BUT IF WE MAKE A FEW SMALL CHANGES WE CAN KEEP FLYING !!**
